DEPUTY COMMISSIONER'S OFFICE,
MYSORE DISTRICT,
Dated Krishnarajpet Camp 1st November 1896.

To

The Secretary to the Government of Mysore,
Revenue and General Departments.

SIR,

Subject No. 400.
Sinking drinking water wells at Eavandahalli and other villages in the Krishnarajpet taluk.

With reference to your official memo No. 3117 mis. 629 of the 1st September 1896 calling attention to the marginally noted subject of the Representative Assembly of 1895, I have the honor to state that there is no such village as Eavandahalli in the Krishnarajpet taluk. The member (Mr. Krishnappa) who proposed the subject on being asked said that drinking water wells were required at 1. Somandhally, 2. Hyranahally and 3. Bommenahally, all in the same taluk. The subject was discussed by the District Fund Board of the French Rocks circle on the 2nd October 1896 and it was resolved that wells be sunk at the first two places out of the local funds general and that the third place being an Inam village, the Inamdar should

sink a well there at his cost. A copy of the resolution is enclosed.

I have the honor to be,
Sir,
Your most obed. servant,

[signature]
Deputy Commissioner
of the Mysore District.

4 Read docket No 104 of the 14th September 1896 from the Dy Commissioner sinking drinking water wells in the Krishnarajpet taluk

In the printed Proceedings book of the Representative Assembly of 1895, it is stated that wells are required in Errandahully and other villages. The Amildar reports that there is no such village which goes by the name of Errandahully. However the villages, where wells are to be sunk in, were ascertained through the member Mr Krishnappa and they are, 1 Somanahully 2 Appanahully & 3 Bommenahully. The first two

of these works have been provided for out-of Local funds General for the year 1895-97. The third is an Inam village and the members were unanimous as to the well work being carried out by the Inamdar at his own cost.
